Item 7.01 Regulation FD Disclosure.

On February 3, 2012, NV Energy Inc. (“NVE”) announced that the in-service date for the One Nevada Transmission Line (“ON Line”) has been delayed by at least three months due to wind-related damage sustained by some of the transmission tower structures on the ON Line project, which is jointly owned by NVE’s operating utilities and Great Basin Transmission South LLC, an affiliate of LS Power. MYR Group Inc. (“MYR”), through its subsidiary Sturgeon Electric Company, Inc., is providing transmission line construction services on the ON Line project, including certain areas impacted by the wind; MYR is not the supplier of the tower structures. In addition to its base contract work, MYR is assisting the ON Line owners to repair the wind-related damage.

This information will not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
